The Chicago
Ophthalmological
Society

February 2018

MICHAEL CHIANG, MD

***“Information Technology and Big
Data for Ophthalmology: Promises,
Challenges, Solutions”***

**Resident case presentations:
*Loyola & Stroger***

**February 12, 2018
Gleacher Conference Center**

Continuing education for this activity is jointly
provided by the Indiana Academy of Ophthalmology
and the Chicago Ophthalmological Society.

This Month's Speaker

MICHAEL CHIANG, MD
Casey Eye Institute/OHSU
Portland, OR

**"Information Technology and
Big Data for Ophthalmology:
Promises, Challenges,
Solutions"**

Dr. Chiang received a B.S. in Electrical Engineering and Biology from Stanford University in 1991, and an M.D. from Harvard Medical School and the Harvard-MIT Division of Health Sciences and Technology in 1996. He received an M.A. in Biomedical Informatics from Columbia University, where he was a National Library of Medicine Fellow. He completed residency and pediatric ophthalmology fellowship training at the Johns Hopkins Wilmer Eye Institute. Before going to OHSU in 2010, he spent over 9 years at Columbia University, where he was Anne S. Cohen Associate Professor of Ophthalmology & Biomedical Informatics, director of medical student education in ophthalmology, and director of the introductory graduate student course in biomedical informatics.

Speaker's CME Disclosure: The speaker's conflict of interest disclosure will be made at the time of the conference.

Registration

Advance registration is required. Please complete the enclosed registration form and return it to the COS office no later than 5 p.m. on February 9st.

Annual COS dues includes attendance at the monthly dinners. Therefore, there is no charge for members in good standing.*

For non-members and guests and members in arrears, the registration fee is \$75. Residents & fellows in training are not charged a registration fee, but *advance registration is still required.*

If you do not owe any registration fees, you may fax your form to: 847/680-1682 or register online at www.ChicagoEyeNet.org.

* Members are considered "in good standing" if their dues are paid by the time of attendance for the monthly meeting.

Educational Items

Course Director: David Yoo, MD

Target Audience: Practicing ophthalmologists, ophthalmology residents and fellows

Objectives: At the conclusion of the 2017/18 series of lectures, the participant should be able to:

1. Describe surgical and medical advances in management of glaucoma, retina and corneal diseases.
2. Discuss issues relating to patient safety and surgical risks in oculoplastics cases.
3. Evaluate new options for management of glaucoma, retina and corneal disease, and describe the pros and cons when utilizing these techniques in a general ophthalmology practice.

CME Credit

This activity is planned and implemented by Indiana Academy of Ophthalmology (IAO) and the Chicago Ophthalmological Society. IAO is accredited by the Indiana State Medical Association to provide continuing education for physicians.

Credit Designation for Physicians

IAO designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Exhibitors – Exhibiting companies participating will be acknowledged at the time of the meeting.

Questions?

If you have any questions or special needs, contact the COS administrative office:

Richard H. Paul, *executive director*
Phone: 847/680-1666
Email: Rich@ChicagoEyenet.org

Additional information about this meeting or future events can be viewed on the COS website: www.ChicagoEyenet.com

Dinner

We are proud to announce that catering at the Gleacher Center is provided by Wolfgang Puck. A buffet with several choices will be available.
